Why Tennis for Your Children?

Tennis teaches the principles and values needed to succeed in life: self-reliance, critical thinking, determination, accountability and resilience.

For parents there are several reasons to have your child play tennis:

- Better social life in high school
- Become more active
- Improve bone density for the long term
- Provides a lifetime of activity
- Opportunity for a better social life now
- Developing social skills now
- Develops self-confidence
- Develops self-reliance
- Develops self-worth
- Chance at a college scholarship/financial aid
- It's a no concussion sport

According to Don Sabo, PhD, author of *More Than a Sport: Tennis, Education and Health*, Tennis players get better grades (48% have an "A" average) and are better behaved (73% have never been sent to the principal's office).

With Tennis we enjoy a constant pursuit to improve physically, mentally, emotionally and spiritually throughout our life.

Avalon's fall indoor Junior Tennis Program begins the week of Monday, September 9th at both The Grand Resort and Boardman locations. Programs are offered for children starting at age five up through advanced junior coaching and instruction. Enroll your child today at Concierge Services at (330) 856-1900, (330) 539-5008 or (724) 704-8801.
