French Style Cooking at Home

Have you noticed a nip in the air? It's comfort food season.

Join us as we embrace France's winter flavors, think caramelized onion soup topped with bubbling Gruyere and succulent roast chicken with très crispy skin. Next, we'll break out the blow torch for an irresistible dessert that is both sweet and salty.

Great cooking is about more than recipes – it's about techniques. In our classes, you'll work together with other students in a fun, hands-on environment led by our professional chef instructors.

Only \$40 per Adult Member or \$50 per Adult Guest
