## Medical Grade Peels, Lasers and Skin Treatments

### Hollywood Spectra Peel

If you follow the Hollywood stars and influencers, you have heard of this exciting, no downtime laser treatment called the “Hollywood Laser Peel.” Get that dewy glow and a brighter complexion without any downtime. Great for that special event!

### DiamondGlow®

DiamondGlow® is customized to you – combining a precision diamond tip to match your skin’s needs, targeted SkinMedica® Pro-Infusion Serums to make your skin glow! This zero downtime and very comfortable treatment is a general dermabrasion that gently removes the top layer of skin and delivers topical cosmetic serums onto the skin. Following this treatment you can expect very smooth and glowing skin lasting for several weeks.

### Ultra Glo™ Facial

Using the Lutronic LaseMD Ultra, this service provides gentle, global improvement for all skin types, all year round. This comfortable treatment with very low downtime will brighten dull, lifeless skin for a clearer and brighter you.

### The Perfect Derma™ Chemical Peel

The Perfect Derma™ Peel is a safe, effective medium depth peel for all skin types and ethnicities. This product is virtually painless, with no pre-peel skin preparation and little downtime. The Perfect Derma™ Peel is the only peel that includes the powerful antioxidant glutathione, which lightens and brightens the skin, slows down the aging process, helps prevent wrinkles and treats active acne.

### Skin Resurfacing

The Lutronic LaseMD Ultra rebuilds glowing, healthy skin through gentle, non-ablative fractionated treatments. Customizable for all patients to improve skin texture with little to no downtime.

### Advanced Acne Treatments

Consult with our experienced experts for your individualized skin assessment. Our treatment strategies focus on using the best in laser acne treatments, medical grade medium-depth chemical peels, and ZO® Skin Health programs. Let us help you get on the path to blemish free skin.

### TotalSkin Solution™

Our premier solution for aging skin, this unique combination of our best-in-class devices, the Lutronic Genius delivers RF microneedling energy to stimulate the production of collagen while the Lutronic LaseMD Ultra helps target unwanted pigment. Together, TotalSkin Solution™ helps rebuild glowing, voluminous and healthy skin.

### Sun and Age Spot Removal

Using the Lutronic Clarity II laser, we are able to treat unwanted pigment. Get rid of those stubborn sun and age spots with a quick and easy 15 minute session.

### Vein Removal

Using the powerful Lutronic Clarity II laser, you can say goodbye to unwanted spider veins and small vascular lesions. This treatment can be done in less than 15 minutes with little discomfort and downtime.

### Tattoo Removal

Using the Hollywood Spectra laser, tattoo removal is made easy. Different from Pico lasers, the Hollywood Spectra laser uses a nano-wavelength technology making tattoo removal quick and easy with minimal discomfort.

### PRFM (Platelet-Rich-Fibrin-Matrix) Therapy

“Next Gen PRP (Platelet-Rich-Plasma)” is an advanced therapy that utilizes the body’s own blood concentrate to help promote healing and achieve a hydrated youthful appearance. This “liquid gold” is full of growth factors to induce extra collagen and elastin fibers to improve overall tone and texture. This advanced form of PRP surpasses older versions with its controlled release resulting in hours to days of continued benefit. Optimal to combine with services such as RF microneedling or our skin resurfacing laser, and even hair restoration.

## Botox and Dermal Fillers

### BOTOX®/Dysport

These injectables are FDA approved to temporarily treat the appearance of fine lines. Designed to minimize movement of facial muscles, we can help stop wrinkles from forming along the forehead, brow and eye regions.

### Dermal Fillers

Whether you are looking to restore age related volume loss or simply balance and enhance your natural facial features, we offer Juvederm’s and Restylane’s line of hyaluronic acid products. These products are used to plump lips, diminish the appearance of wrinkles and provide lift to the cheek bones.

### Prevent and Correct Package

Better together! By combining our TotalSkin Solution™ treatment with BOTOX®, combat fine lines, crow’s feet, and unwanted pigment and slow down the aging process.

## Body Sculpting

### CoolSculpting® Elite

Experience the most advanced CoolSculpting system yet with CoolSculpting Elite. This FDA cleared treatment freezes away stubborn fat. With over 8 million treatments performed all around the world, CoolSculpting Elite is the #1 in freezing technology. This is a non-invasive procedure that has little to no downtime but has permanent results. Allow our CoolSculpting experts develop a personalized treatment plan for you so you can stop imagining results and see them.

### Accufit

Muscle toning made easy—achieve the equivalent results of doing 20,000 sit-ups in 30 minutes! Our Lutronic Accufit device is intelligently designed to deliver direct muscle activation treatments for improved definition and functionality. Controlled electronic stimulation provides energy to flow through the selected muscle, triggering a variety of responses. Can be used over abs, quadriceps, hamstrings, and buttocks.

### The Ultimate Body Package

It’s a perfect match! To achieve your body contouring goals, CoolSculpting® pairs perfectly with Accufit to provide both fat reduction and muscle building. CoolSculpting® treatments will freeze away unwanted fat while Accufit focuses on strengthening and toning.

### EvolveX: Tite, Tone and Transform

As we get older, aging skin inevitably wrinkles, folds and sags. With InMode’s Evolve, reverse the signs of aging, and restore your skin’s elasticity. Evolve is a non-surgical, total body remodeling system and is highly effective at tightening skin to tighten skin, treat fat, sculpt abdomens, lift buttocks and tone hips.

### Evoke: Cheeks and Chin

Evoke’s facial applicators deliver bipolar radiofrequency (RF) energy to the cheeks, neck and jawline. The RF energy penetrates deep into the subdermal layer, heating the fibroseptal network (FSN). With its ability to maintain a constant temperature, Evoke remodels the dermis and subdermal tissues to deliver more defined facial characteristics.

## Hair Treatments

### KeraLase™ Hair Restoration

Using our Lutronic LaseMD Ultra, we create microchannels in the scalp that allows precise application of KeraFactor® serum. KeraFactor® serum has seven proprietary biomimetic synthetic versions of growth factors and proteins which provide a new, multifaceted topical formulation to achieve thicker and fuller hair where it once was thinning.

### Hair Removal

Save time shaving each day, throw away the razor, forget the waxing, and feel more confident. Our Lutronic Clarity II laser is top of the line in permanent hair reduction/removal.

## Health and Wellness

### IV Therapy

IV Therapy is the most efficient way to deliver vitamins, amino acids, antioxidants, and other vital nutrients to your circulatory system.

### Brainstorm

Combining folic acid, B12, L-tyrosine and alpha-lipoic acid, this IV kit helps improve overall brain function, increase memory recall, and enhance certain aspects of learning.

### Reboot - The Hangover Cure

Replenish your body and combat hangover-related symptoms like dehydration, headache, and nausea with our Reboot IV Kit. This kit helps hydrate your body, detox your system, restore essential vitamins, and fights fatigue.

### Get-Up-And-Go

Designed to help kick-start your metabolism and feel more energized, this IV kit helps burn fat, boost metabolism and provide the nutrients needed for optimal wellness.

### Immunity

Designed to help your immune system, prevent illnesses and make you feel better faster after getting sick, this IV kit helps improve immunity, protects against infection and reduces duration of illnesses.

### Quench

Rehydrate your body and combat fatigue caused from dehydration. This kit is designed to replenish the fluids needed to detox your system, restore essential vitamins, reduce inflammation, and improve circulation.

### Recovery and Performance

Designed to help shorten the time of recovery after an injury and potentially improve athletic ability, this kit helps decrease recovery time, enhance athletic performance, replenish essential nutrients, and reduce inflammation.

### Bio-identical Hormone Replacement Therapy

*Coming Soon*

Bio-identical hormone replacement therapy (HRT) is the use of hormones to help resolve symptoms related to hormonal imbalance or decline in women and men. Bio-identical means identical to our natural hormones. There is a natural decline in hormone production with age. Production declines by 50% by age 50. As we age, we start to experience a multitude of symptoms that are a result of natural imbalance of hormone levels.
