

The Grand Salon and Spa Etiquette Guide

Grand Salon and Spa Use and Admission Spa services are available to guests age 18 and older. Children are welcome to use Salon services when accompanied by an adult during the entire time of their service.

Grand Salon and Spa Reservations and Appointments While walk-ins are welcome, we strongly encourage you to make a reservation for any Grand Salon and Spa service due to limitations on select appointments. A credit card is required at the time of booking for all services and a 3.5% administrative fee is added to all Grand Salon and Spa services paid for by credit card.

Cancellation Policy We understand that plans change. We appreciate and require a 24-hour notice, if you should need to cancel or reschedule. If we are not notified, you may be charged for services not canceled in the time allotted.

Locker Room Privileges Spa services include access to both the men's and women's locker rooms (women's locker room features steam showers and Infrared Sauna). Salon services (hair, manicures, pedicures, make-up) do not include locker room access.

Customer Requests for Therapists You may request a specific gender Massage Therapist while booking an appointment, although we cannot guarantee that we will have your request available at all times. All Spa employees are trained to respect the privacy of our guests and to create a comfortable, relaxing environment for all.

Groups or Large Parties Large groups and Spa parties are welcome. Please contact our Spa receptionist for information on group treatment packages and special group rates.

Maintaining a Spa Atmosphere We ask that you speak quietly throughout the Spa, particularly in waiting areas and in treatment corridors. To preserve an ambiance of peace and tranquility for all Spa guests, the Spa area is a cellphone free environment. We reserve the right to refuse service to any guest who is visibly intoxicated, or who exhibits inappropriate behavior towards any staff member. This will result in immediate termination of the service...Charges remain applicable.

Health Problems and Comfort Level Please notify us at the time of reservations if you are pregnant, have allergies, high blood pressure, or any physical disabilities. This will prepare our staff in advance to provide the best possible spa treatment or therapy for you. When receiving your treatment, the technician will address your needs based on your personal assessment. They will speak to you about the temperature, pressure, music, product, and sequence of service they are providing. Please communicate to us how you are feeling during your service and if there is anything specific you would like us to address. For the safety of all spa guests and our staff, please do not schedule services if you or anyone in your household is sick or still in the recovery phase of an illness.

Guest Timeliness We ask that you arrive 10 minutes prior to your scheduled appointment time. You are invited to unwind and relax in our relaxation area before or after your appointment and enjoy complimentary lite refreshments. You are also welcome to access the locker rooms before or after your Spa service. Arriving late will possibly interfere with your treatment, making it not as effective or therapeutic for you. All appointments will end at their scheduled time so that the next guest will not be delayed. Treatment times are not extended based on late arrivals.

Personal Belongings Guests are responsible for their personal belongings. Lockers will be provided during Spa services. We recommend that you do not wear jewelry during your visit.

Gratuities In appreciation of outstanding service, gratuities may be given to the staff at your discretion. Envelopes are available at the front desk. For large events or private parties an 18% gratuity will be added.
