Tennis and racquetball racquet restringing/regripping and other racquet repairs are available at The Grand Resort Tennis Center or the Avalon Athletic Club at Boardman. TENNIS AND PICKLEBALL ETIQUETTE

We expect all members to observe standard tennis etiquette when using the Avalon tennis and pickleball facilities. Please be courteous to other members when you have to cross their court and avoid loud conversations during play that could be disturbing to other players. Remember to cross only between points or games and never between first and second serves. Always cross at the net and never behind a court. If you have children using Avalon tennis facilities, please be sure they also understand tennis etiquette. Music is not permitted on any of Avalon's courts at any time.

No open drink containers or chewing gum are permitted on any Avalon racquet sports courts. Please throw away drink bottles and ball cans before leaving the court area and pick up any errant balls left on the court after play. During the winter, please put on your playing shoes after entering the facility before walking on the courts to eliminate salt/snow residue on the courts.

TENNIS AND RACQUETBALL LOANER RACQUETS

For guests staying at The Grand Resort, tennis and racquetball racquets along with pickleball paddles are available for two-hour usage periods in the Recreation Center. Individuals borrowing equipment are responsible for any damages that may occur during use.
